Right Between Nicaragua & Tanzania!

Dear Friends,

I wanted to drop you a very quick note to say that I hope that you have a very blessed Thanksgiving Day and to update you on our current world missions happenings.

I just returned from a powerful time of ministry in Nicaragua (I had a great team with me). We saw almost one hundred pastors/churches come together for these meetings and in four nights saw about 155 decisions for Christ (and likely many more as it was broadcast & rebroadcast by radio). The pastors were impressed with the number of conversions (apparently they had not seen this previously), the fact that no offerings were received in the meetings (thanks to your generosity to PE), and that that many churches and leaders could work together. God IS good!

In less than a week my awesome wife Sonya departs for Tanzania, Africa. We are pumped about this great opportunity before PE. Sonya is a powerfully gifted lady and will be a huge blessing in the churches there and in ministering to the orphans. I'm so thankful to have her representing this ministry in Africa!

Please intercede for Sonya (and the team) as she sets out on this mission. If you would like to give a missions gift toward this outreach it is not too late and would be a tremendous blessing! You can make a gift online by clicking the donation button at the top right corner of this page.

Thank you so much for standing with us. We could not fulfill this missions calling without our friends and partners in ministry. Blessings on you!

In HIS Service,

Ken & Sonya
